laced
with
greens,
designer
landscapes
and
concept
themes

Sensitive planning is the key. We haven't allowed the greenery to be disturbed by metal, as cars enter the basement parking directly from the main gate of the complex. Smooth as silk! The landscaped grounds are a feast for the senses. Lush manicured lawns. Seasonal blooms. Paved pathways and jogging trails. Shaded seats and cool outdoor designs. Tot lots for the little ones and retreats for the elderly. Take a deep breath. You've arrived!
